Australia's most popular **WOMEN IN MINING** event returns!

The mining industry is at a tipping point. Despite efforts to improve DEI, progress remains limited and the backlash is growing. The time for talk is over. It's time for solutions & action.

At the **Women in Mining Summit 2025**, industry leaders like **Elizabeth Broderick AO**, author of the Report into Workplace Culture at Rio Tinto and its recent follow-up progress report, will uncover the true state of diversity in mining and the decisive actions needed to create lasting change.

But this event isn't just about the industry. It's about gaining the technical expertise, leadership skills, and career strategies needed to drive better project outcomes, elevate performance, and strengthen teams, all within a supportive, high-impact environment.

Who will you meet?

The 3rd Annual **Women in Mining Summit 2025** is designed to bring together current and future leaders in mining who want to elevate their skills and develop their knowledge across the key issues impacting the industry.

The **Women in Mining Summit** is designed for **current & emerging leaders, directors, heads, managers, superintendents, supervisors, and leading hands** from a range of areas and roles including:

- Mining Operations, Process & Production
- Health & Safety
- HR, People and Culture, & Training
- Engineering & Electrical
- Maintenance & Workshop
- Geology & Exploration
- Technology
- Environmental & Sustainability
- Business, Finance & Accounting
- Marketing & Communications

“Great coverage of technical and leadership aspects relating to improving the future state of mining.”

Becka Barritt, Principal Advisor Closure, **Rio Tinto**

Key Themes:

Industry outlook: learning how to succeed in the mining sector of tomorrow

Developing in-demand skills to improve your performance, strengthen teams & future-proof your career

Some of the products, services & solutions will include, but are not limited to:

- Mining technology
- Mining software
- ESG & sustainability
- Mining machinery & equipment
- Mining services
- Health & safety
- Professional services

Why partner?

The event offers numerous opportunities for sponsors to network, share their expertise, and build their reputation while engaging with an enthusiastic and engaged audience of leaders and decision makers throughout the mining sector. This is your chance to:

Raise your visibility and be recognised as an expert and industry leader in the mining sector

The **Women in Mining Summit 2025** positions your organisation as a thought leader in front of industry-recognised speakers as well as an inquisitive and influential audience of attendees.

Increase reach

Use ours! **Women in Mining Summit 2025** marketing reaches over 10,000+ unique, targeted contacts – join our campaign early and benefit from 4+ months of brand awareness.

Meet the right people

With multiple networking opportunities across the 2 main conference days, you can expand your network and socialise with existing and prospective clients. We target the key influencers and decisionmakers and you grow your community through authentic, meaningful interactions across the event.

Launch new products or services

Showcase new and innovative products and services to an interested and influential audience of senior decision-makers actively seeking solutions.

Build your brand

The **Women in Mining Summit 2025** offers brand recognition opportunities to position your company among the premier organisations within the mining industry and as a supporter of diversity and inclusion in mining. This is your opportunity to enhance your profile as a trusted brand and market leader in front of key decisionmakers from a wide range of organisations across Australia

Through consultation with our in-house marketing strategists, we will tailor a plan to suit your objectives, whether they involve thought leadership, branding, lead generation, specific one on one meetings or a more social networking event.
